

*E*mmanuel was born in 1993. He was born in a village called Chamuka in Kabwe. His date of birth is not well known. He does not know who his father is only knows of his mother who stays in Chamuka village in Kabwe.

His mother could not look after him because she was very young therefore, she gave the baby to her mother and father. They gave him their name Chakanyuka, so he is Emmanuel Chakanyuka. After a while, his grandfather died in 2001 and his grandmother is now old and looks after many other children. She has now gone blind and she cannot do anything to generate income. She now depends on the garden she inherited from her husband, which is also not doing fine.

It was with this background that we thought as Lifenet to help the child with a permanent residence where he can get an education. He

stopped school in grade 4 and now he has been enrolled for grade 4 beginning soon.
