

While his birthday and year are not well known, Gift was born to Mr. Gift Sithole and Mrs. Florence Mucheki Sithole in Lukata village. He has no brothers and sisters.

Efforts to establish when he was born have been fruitless, therefore, the 20th of May, 1998 was adopted as his birth day.

Gift's mother died in 2000 after a long illness. On the other hand his father's whereabouts are not well known and nothing of him has been heard to date since 2000.

Because he was left without a parent since the death of his mother, his maternal family took it upon itself to raise him up as may even noticed by the change of surname from Sithole to Mucheke.

At the time of his adoption, he was staying with his uncle, Mr. Zachariah Mucheke, who is also not

NAME: GIFT MUCHEKE

AGE: 7 YEARS OLD

D.O.B: 20/05/1998

P.O.B: LUKATA

TRIBE: SHONA

GRADE: TWO

D.O.A: 29/03/2004

..When he came to Lifenet he was enrolled in school and he began grade one in 2005, from then to date we have observed his scholastic prowess unfurl into a Doctor he has always dreamt of becoming...

very healthy.

At the time Gift came to Lifenet, his scalp had sores, he was pale and had a distended stomach, which was a sign that he had worms and poorly nourished. During the

first week of his stay at Lifenet, he

scholastic prowess unfurl into the

direction of the doctor he has always wanted to be.

Gift is an amiable young boy who gets along with all of his friends. He is an exceptionally clean and smart child.

His perceived temperament is phlegmatic and adjectives that best describe his positive temperament tendencies are: warm, calm, collected, polite, responsible, clean and congenial. On the other hand, negative tendencies that best describe his temperament are: selfish, uninvolved, preoccupied, undecided and laziness.

The last time Gift visited with his relatives was last year in December. The family was so thrilled as they could not easily recognize him.

Gift with his aunty at the time of the Visit.

was treated against worms and was on a diet that improved his health and general appearance.

Gift weighed about 14kg at the time he came to Lifenet and after a month he was already weighing about 20kg, he now weighs about 38kg.

Gift was picked from Lukata village on 29 March 2004. At the time he was adopted by Lifenet, he had never attended any school apart from a pre-school he previously attended for three months.

Nevertheless, when he came to Lifenet he was enrolled in school and began grade one in 2005. From then to date, we have observed his
