ift Nkubitwa was born in 1995 on the 4th of April. He was born in a family of two of which he is the first-born. He has a sister, Mwendalubi Nkubitwa.

His father Mr. Gerry Nkubitwa was a twin who passed away when gift was a baby. His mother, Mrs. Charity Zimba Nkubitwa passed on when Gift was in grade 2. Gift was then taken on by his uncle who was a twin brother to his late father. Mr. Gary Nkubitwa used to live in the near by Village.

Because of the economic problems his uncle was facing, he could not continue with school. So he stopped school in grade 4.

His uncle is just a laborer in the nearby farms with many children to look after. This situation therefore, made it difficult for him to manage providing for the needs of the child, especially school requirements. Gift was then forced to do some pieces of work and other types of manual work.

When Lifenet went to conduct an assessment of vulnerable children in Lukata village, it was very apparent that the boy was living in dearth.
